Alcohol Awareness – This program involves a classroom portion where facts and information about alcohol awareness is given. Then, an obstacle course is set up and students navigate through it while driving a pedal cart and wearing drunk buster goggles. Participants are asked to perform various activities while wearing goggles meant to simulate various levels of intoxication.

Crime Prevention through Environment Design Assessments – Baldwin County Sheriff’s Office offers site assessments for schools, businesses, non-for-profits, and other organizations upon request. These site assessments involve trained Deputies offering rating and assessment services regarding the security of the buildings, grounds, and interiors. The recommendations given can be used to make necessary upgrades by the requesting organization if desired. Additionally, the business point of contacts and other information are updated in our Master Name Index for enhanced communication.

Daisy Inflatable BB Range (min. age is 10 and participation should be between 40 and 100)
Participants are taught the fundamentals of gun safety and given the opportunity to practice those skills by shooting in our indoor inflatable BB Range.

Deputies are Your Friends – This program involves an explanation and demonstration of equipment commonly carried by uniformed Deputies who work at Baldwin County Sheriff’s Office. A question and answer session about the law enforcement occupation is included.

Drug awareness – This is an adult presentation for parents, college students, or any community members who need to learn to identify drugs and drug paraphernalia as a part of their role in the community. This presentation involves handling real drugs and drug paraphernalia.

Eddie Eagle Gun Safety – A class geared towards children between the ages of 4 to 10. This course was developed by the NRA to teach children how to be safe around firearms. A classroom is required to teach this course. Groups of 25 are preferred but multiple sessions are possible for larger groups.

Run, Hide, Fight Presentation - Available to private and public organizations. This program involves a classroom presentation geared towards adult. The purpose of the class is to bring awareness about steps to take during an active shooter event. Groups should be small enough to fit in a classroom.

Other programs available upon request!
